

Knowles

CENTRE

URGENT!

WE NEED YOUR HELP

As essential needs workers providing care to youth in care homes we are in urgent needs of Personal Protective Equipment (PPE) to keep both our youth and staff safe.

As all PPE are going to hospital to fight the COVID-19 it is not being made readily available to other essential needs workers.

If you can donate face masks, homemade face mask, gloves, disposable gowns, hand sanitizer, disinfectant wipes, etc. Anything will help at this point.

Our youth are already dealing with so much and this pandemic is making it so much harder. We just want to keep everyone safe.

People can call 204-339-1951 or email info@knowlescentre.org to arrange for delivery or pick-up.

PLEASE HELP
