
Chamber Small Business Forum to address top business concern— talent

September 21, 2021, WINNIPEG, MB - The Winnipeg small business community has shared their concerns surrounding human resources— especially throughout the pandemic. With Hybrid workplace models being implemented, hiring practices changing, there are many questions left unanswered. Tomorrow, at the Small Business Forum, our Winnipeg small business community will learn and discuss how to grow their team through thoughtful processes and custom solutions.

Following a fireside chat with Dawn Haus, Vice President, Human Resources of Truth North Sports and Entertainment, attendees will be walked through an engaging leadership workshop led by Ken Teramura, Founder and CEO, Be Positive.

Four times a year, The Chamber's Small Business Forums bring the community together, to connect and confer on issues that are important to the success of their business, in a relaxed environment that will feature presentations, networking and connecting.
