

### **Important Notice: Harassment and Discrimination Prevention Policy**

At The Winnipeg Chamber of Commerce, we are committed to providing a safe and respectful work environment for all employees. To support this commitment, we have established a Harassment and Discrimination Prevention Policy.

This policy is designed to address and prevent any form of harassment or discrimination within our workplace. It outlines our dedication to maintaining a respectful environment and provides clear procedures for reporting and addressing any concerns.

A copy of our Harassment and Discrimination Prevention Policy is available upon request. Please contact us at [info@winnipeg-chamber.com](mailto:info@winnipeg-chamber.com) for a full copy.

Your understanding and adherence to this policy are crucial in helping us maintain a positive and inclusive workplace.
